In G. R. E. D. No. RBC 1150, dated the 19-1-1951. Govt. has directed that Local bodies and institutions receiving grant-in-aid from the funds placed at the disposal of the various Deptts. should be requested to scrupulously follow,

The reservation of prescribed vacancies in favour of Backward Classes.

2. Certain Local bodies like the Anand Muny, D. L. Bs., Belgaum and Nasik, are in receipt of grant-in-aid for the year 1951-52 from the funds placed at the disposal of this Deptt. for the execution of certain works. As the Local bodies are under the administrative control of the L. S. G. & P. H. D., and who receive regular grant-in-aid from that Deptt. will be issuing the necy. orders in the matter. It does not, therefore, seem necy. to issue separate orders by this Deptt. as they will equally apply in receipt of grant received from them.

L. S. G. & P. H. D. may see U. O. before the papers are filed

Reservation in-for members of the Backward Class.

GOVERNMENT OF BOMBAY.
Political and Services Department.
Resolution No. 490/46.
Bombay Castle, 1st November 1950.

Read Government Resolution, Political and Services Department, No. 1673/34, dated the 23rd April 1952.

RESOLUTION.- In view of the provisions of article 16(2) read with article 16(4) of the Consitituation of India, it is not feasible now to make reservation in public services in favour of any class of persons except those who are considered to be Backward. The Government of Bombay have therefore under consideration for some time past the question of revising the classification of communities made for the purpose of recruitment to the various posts and Services under it and of making reservation in the various posts and Services only in favour of members of the communities which are fit to be treated as Backward.

2. The Government of Bombay is now pleased to direct, in supersession of the orders contained in Government Resolution, Political and Services Department, No. 1673/34, dated the 23rd April 1942, that the existing classification of the communities in this State into Advanced, Intermediate and Backward Classes should be cancelled. It is further pleased to direct that the communities shown in the accompanying Schedule should be treated as Backward for the purpose of recruitment to services under it.

3. In supersession of all the existing orders issued from time to time and by different Departments making reservation in favour of members of the Intermediate, and Backward Classes in the various posts and Services. Government is pleased to idirect that the following percentages of vacancies occurring in the various Services and posts under it which are filled by direct recruitment should be reserved for members of the Backward Cla

Backward Class, viz;-

Name of Service.		Percentage of vacancies to be reserved.
(i) All State Services and posts	....	12½ per cent.
(ii) All Class III Services and posts	....	20 per cent.
(iii) All Class IV Services and posts	....	25 per cent.

These percentages represent the minimum number of vacancies to be filled by the appointment of members of the Backward Class and Government desires to make it clear that it is open to the appointing authorities to recruit members of the Backward Class in excess of these percentages if they are otherwise considered suitable for such appointment vis-a-vis other candidates.

4. Government is also pleased to direct that all appointing authorities should take particular care to see that these orders making reservation in favour of members of the Backward Class in the various Services are scrupulously followed.

5. The orders contained in Government Resolution, Political and Services Department, No. 490/46, dated the 10th July 1948 are hereby cancelled.

GOVERNMENT OF BOMBAY.
Political and Services Deptt.
Circular No. 7469/34
Bombay Castle, 28th February 1951.

CIRCULAR OF GOVERNMENT.

A question has been raised whether in view of the orders contained in Government Resolution, Political and Services Department, No. 9530/34, dated the 20th December 1950, it is necessary for the appointing authorities to call for names of candidates belonging to the Backward Class from the Backward Class Officer while making appointment to Class III and IV posts under them as required by Government Circular Memorandum, Political and Services Department, No. 7469/34, dated the 9th Feburary 1948. Government is pleased to clarify for the information of all and Officers that the orders in Government Resolution, Public Services Department, No. 9530/34, dated the 20th December 1950, Resolution, Department. Political and Services Department, No. 9530/34, dated the 20th December 1950, do not supersede the orders in Government Circular Memorandum, Political and Services Department, No. 7469/34, dated the 9th Feburary 1948, and it is necessary that the latter orders should also be strictly followed i. e. the lists of candidates belonging to the Backward Class should be obtained from the Backward Class Officer and these candidates should be considered along with those recommended by the Employment Exchange. Government is also pleased to emphasize that in view of the orders countained in Government Resolution, Political and Services Department, No. 490/46, dated the 1st November 1950, prescribing minimum percentages for the recruitment of candidates belonging to the Backward Class it is now all the more necessary to obtain from the Backward Class Officer lists of candidates belonging to the

the Backward Class so as to ensure that recruitment of candidates from the Backward Class is made at least up to the prescribed percentages.
